Bulletin of Kanagawa Prefectural Institute of Public Health No.43 (September, 2013)

CONTENTS

Review
Indoor air pollution caused by chemicals in Japanese houses
Kiyomi TSUII ................................................................. 1

Short reports
Surveillance study on monitoring and prevention of infectious disease
Detection and genetic analysis of Rabies virus from suspected Manusals patients in Kanagawa Prefecture
Keiko SUZUKI, Mutsuki KIMURA, Keiko KINYO, Makiko KONDO and Kayoko NIWA .................................. 10

Surveillance study on the safety of living
Result of external quality control on analysis of drinking water, Kanagawa, in 2011 - Evaporation residue -
Manabu SANO, Kazuo HASEGAWA, Hitomi UEMURA and Kiyomi TSUII .................................................. 14

Analytical method of benzylamine in raw water
Hitomi UEMURA ........................................................... 18

Data
Surveillance study on monitoring and prevention of infectious disease
Occurrence of enterohemorrhagic E. coli in Kanagawa Prefecture (April, 2012 - March, 2013)
Ichiro FUKUWA, Toru ISHIBASHI and Yuko WATANABE .................................................. 21

Pathogen detection from hospital food poisoning cases in Kanagawa Prefecture (April, 2012 - March, 2013)
Atsuko KOZUMI, Miyuki HARADA, Yoshimi DATE and Hitomi NAGAI .................................................. 24

Surveillance of viral pathogens in Kanagawa Prefecture (April, 2012 - March, 2013)
Keiko SUZUKI, Keiko KINYO, Mutsuki KIMURA, Makiko KONDO and Kayoko NIWA ................. 27

Epidemic of influenza in Kanagawa Prefecture (2012 / 2013 season)
Sumi WATANABE, Takahiro SANO, Shin SAKAI, Makiko KONDO and Kayoko NIWA ......................... 30

Surveillance study on the safety of living
Examination of non-volatiles of Japanese households from 2003 to 2012
Takakana INADA ........................................................... 33

Investigation of self-inspection using a radioactive standard sample in gamma-ray spectrometry
Yasuhiro SAKAI, Kenji IBAMA, Takahiro HAYASHI, Chiaki KUWAHARA ............................................. 37

Surveillance study to assure safety of food products and medicine
Analytical results of genetically modified foods in Kanagawa Prefecture (2012)
Kiyomi OHTOKI, Midori SHIMIZU, Yukiko TANAKA, Hidaka SEKO and Hiroshi KISHI ....................... 40

Abstracts of original papers by research staffs (April, 2012 - March, 2013) ........................................... 43
